

## The Purpose of Scouting

The purpose of Scouting is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities.

## The Scout Method

The Scout Method provides an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law, which is guided by adult leadership. In practice the method is best seen when young people, in partnership with adults, are:

- enjoying what they are doing;
- learning by doing;
- participating in varied and progressive activities;
- making choices for themselves;
- taking responsibility for their own actions;
- working in groups;
- taking increasing responsibility for others;
- taking part in activities outdoors;
- sharing in prayer and worship;
- making and living out their Promise.

## The Beaver Scout Promise

I promise to do my best  
To be kind and helpful  
And to love God.

## The Beaver Scout Law

There is no formal Beaver Scout Law. The concepts expressed in the Scout Law are to be presented to Beaver Scouts through games, storytelling and other informal activities.
